OUR
VISION

EARTH & LAND

Earth is a gift given to us, It has sustained Us, Protected Us, Cared For Us, and now mantle of responsibility fall on us. We must cherish it, nurture it and protect it.

Land is one of the oldest parameter of a person's success, it represent a key element for any and all business owners, big and small. Land ownership promotes power, stability, Growth and Prosperity. Nations are built on the promise and premise of Land.

We at Elementalz Inc. believe in Earth and Land. We develop Products, Solutions and Services which ensure Protection of Our Beloved Earth, All the meanwhile enable the smallest of businesses to be Efficient, Economical, Progressive. and Promote Ownership of True Success.

DEEP ANCIENT ROOTS

We all are a culmination of all those who have been before us. Its there legacy that we have to continue forward that legacy, maintaining, improving, Contributing and sustaining it forward. Legacy connect us all in past, present and future.

Legacy play an important part in our minds and daily lives, they determine outcome of decisions we make, role we play in the society and the contribution we make as a whole.

We as a company bank on lot of Legacies set by great Men and Women. We want to honor these legacies with great feats of engineering, that solve current problems and inspire the coming generation on improving the continuing Legacies.

GROWING FOREST

Where there is a Sapling growing eventually a forest will follow, all it takes to remove an unfavorable environment is one bold step embolden by multitude of bold step following.

Like trees in a forest, people will grow better when they are together. Forest grow together, develop and ecosystem thrives which in turn make environment to be more favorable for the Forest. and Forest grows even further.

We believe that it is important for all of our partner in various endeavors to grow both personally and professionally. Our Clients, Our vendors and partners are tree in the forest like us. When Our clients grow we Grow too. So its our mission of ours to ensure Growth all around of everyone involved with us.

SOLAR PUNK FUTURE

We believe in a better future for Humans, We believe humans will come around, stop the mindless destruction of our planet and society. Ushering a new era of Growth, Prosperity and Harmony with nature. People welfare and business growth will be intertwined

Its a future where all business get equal opportunity, are equally efficient and compete on merit, value of products/ services and for the Betterment of Mankind.

HOW WE SELECT POTENTIAL CANDIDATES:

1) BUSINESS HAS TO BE FROM ONE OF THE SELECTED SECTORS

We have done in-depth analysis of various business sectors and their prospects, and after great deliberation come to the conclusion to add them to potential business sector list which can greatly benefit from our association and Services. It is our belief Business in these sectors have the greatest opportunity and potential to have maximum positive impact on people's lives.

2) POPULATION PERCENTAGE OF POSITIVE IMPACT

Business with mission & working strategy to have positive impact on maximum percentage of population lines up perfectly with vision and mission of our Company and parent group. We intend on providing support and guidance to such businesses to reach their full potential.

3) SIGNIFICANTLY SAVES EITHER TIME OR ENERGY OR BOTH

Solutions or products developed by the business should significantly reduce energy needed to complete a function or significantly reduce the time needed to complete a function / process or completely eliminate steps in operation without altering parameter of outcome.

4) TEAM DEDICATION AND STRUCTURE

Team dedicated to the vision and mission of the Business is very important also equally important is the attitude of the founders towards their team . We have also found team with personnel with multiple talents /skills to be more efficient initially and later be the team in management as the business expands. Background of each person in the leadership will be scrutinized for Red Flags.
